

EXECUTIVE PROTECTION SHIRT

BODY ARMOR PLATE CARRIER

The Executive Protection Shirt (sleeved and sleeveless styles) has been designed specifically to carry Spartan Armor Flex Fused Core™ IIIA soft armor panels in the front, back and sides. Spartan Armor's Executive Protection Shirt provides protection against handgun threats up to .44 Magnum SJHP and .357 SIG FMJ. Crafted from breathable lightweight fabric, this shirt is comfortable when worn for long periods. It is concealable under clothing.

Sleeved Style

BODY ARMOR PLATE CARRIER

CARRIER DETAILS

The Executive Protection Shirt has quality stitching, classic style and a comfortable crew neck collar that fits closely around the neck.

Cuffed and stitched short sleeves stay in place when worn under dress shirt or other garments.

Hemmed and stitched waist band stays tucked in pants.

Pull the hook and loops plate pocket strips apart by using fingers to separate strips. Do not pull on the pocket fabric, this may cause fabric to tear.

Spartan Armor's 10" x 12" Flex Fused Core™ armor plates load into shirt's front and back armor pocket from the bottom.

Spartan Armor's 5" x 7" Flex Fused Core™ armor side plates load into shirt's armor pocket from the bottom by bending armor slightly and sliding it in.

FAR LEFT: Spartan Armor Systems' Executive Protection Shirt has quality stitching and seams throughout shirt creating a long lasting, superior product..

LEFT: Hemmed sleeveless arm openings.
